Technology Used: ASP.NET, ADO.NET, C#, Bootstrap, JavaScript, and HTML.

- Initial form surveying user’s car related experiences.
- Issues quote based on the data gathered by the form.
- Has an admin page that displays all quotes in the database.

EDUCATION

The Tech Academy, Portland OR - *Software Developer Certificate*

November 2018 - May 2019

The Tech Academy is an intensive software developer boot camp that has over 600 hours of hands on learning. I learned the fundamentals of development, as well as the most common web development languages, and frameworks. A few of the languages, and frameworks I learned are C#, Python, JavaScript, SQL, HTML, CSS, Django, Bootstrap, and .NET.

Central Oregon Community College, Bend OR - *Associate of Science*

September 2014 - June 2016

Went through a variety of courses during my time at this institute that included Anthropology, Psychology, Math, and Computer Science. My main focus at the time was Chemistry.
